STUDENT RIGHTS

The **Connecticut Real Estate Commission** informs students who are taking a real estate prelicensing course to obtain a real estate salesperson's license, of the following:

- Real estate schools and instructors are prohibited from soliciting your employment at any one particular real estate firm.
- You are not obligated to contract with any particular real estate firm by virtue of your classroom education alone.
- An employment or independent contractor agreement with a real estate firm is typically a binding contract. You are advised to consult with an attorney before you enter into any such agreement.
